

Whare Flat Kids Programme 2011

In addition to the planned activities below, there is also a tots 'n toddlers corner set up in the troop Den (parents to supervise and organise own roster). Plus swimming hole for the hardy and hot-blooded, random face-painting, and sports equipment available over the weekend. To make your families time safe & happy, PLEASE remember

- sunblock, water-bottles and hats, also **events may move to lawn** if fine
- Cyclists: bike helmets and keep off the “main” roads,
